# What is KPHA?

The Kentucky Public Health Association, Inc. (KPHA) was organized in 1949 as a nonprofit, independent, voluntary organization. KPHA initiatives have drastically improved the health status of Kentuckians relative to other U. S. states. KPHA has achieved recognition from the Kentucky Legislature, community leaders, and citizens of the Commonwealth as the credible, independent voice for the health of the public.

# Strategic Plan:

Our Strategic Plan is to strengthen the effectiveness of KPHA’s voice for public health. The primary goals are to:

1. Improve Effectiveness of Policy and Advocacy.
2. Improve Public Health Science and Practice.
3. Increase Member Engagement and Expand Members.
4. Strengthen Organization Capacity.
